

Mahidol University Postdoctoral Fellowship Program

Mahidol University will awards postdoctoral fellowships to recent Ph.D's, both Thai and non-Thai residents, to develop their skills with leading research groups of the University. Candidates must receive their Ph.D. degrees from a recognized university within the past 5 years.

Applications have to be made on behalf of the postdoctoral researchers by the eligible supervisors who will administer the research projects. The fellowship duration is one year and can be extended subject to the performance and academic productivity of the research.

Applications will be accepted two times a year

The first deadline: by 31 May

The second deadline: by 31 October

Mahidol University Postdoctoral Fellowship Program

Mahidol University, with its policy to promote and support postdoctoral researchers, will offer postdoctoral fellowships to recent promising Ph.D.'s, providing them with an opportunity to develop their skills with the University's leading research groups.

Applicant Eligibility

Applications for this program have to be made on behalf of the postdoctoral researcher by the eligible supervisor who will administer the research project and has following qualifications:

- Be a research expert with regular publications in international journals or with patents.
- Has potential and experiences in administering research projects.
- Supervise a research project with funding from outside sources that can adequately support the fellows.
- Able to provide consultation time to the fellow throughout the period of funding.

Fellow Eligibility

- Be under 40 years of age on the date of application.
- Be Thai or overseas researcher who possess a doctoral degree from a recognized university within the past five years (a diploma or equivalent degree will not be counted), and has been accepted by a qualified supervisor at Mahidol University.
- Not be receiving funding in terms of salary or other research support funds from international organizations or other sources.
- Be capable of conducting research as a full-time fellow during the period of funding.
- Be producing or have research publication in an international journal as the first author.
- Has research proposal and work plan.

Fellowship Amount

For the fellows:

- Basic salary of 30,000 baht a month. The fellows employed as a government officer or university staff with permanent salary of less than 30,000 baht will receive only the differential.
- Subsidy for traveling costs, accommodation and health insurance for non-Thai residents.

For the research workplace:

- Facility Supplement in the amount of 300,000 Thai baht / project

Please note that each fellowship is initially awarded for a period of one academic year and may be extended for another year, subject to the performance and academic productivity of the project.

Application Period

Applications will be accepted two times a year

The first deadline: by 31 May

The second deadline: by 31 October

How to apply

Postdoctoral researchers who would like to participate in this program are advised to establish contact with the eligible supervisor at Mahidol University and ask him/her to submit the application. This contact should be made well in advance in order to meet the application deadline.

Application Materials listed below are required.

- Completed application form
- Research proposal (five-page limit, double-spaced)
- Abstract of the candidate's Ph.D. dissertation (one-page limit)
- Three letters of reference (one of which must be the Ph.D. dissertation advisor)
- Curriculum Vitae of the candidate
- An official copy of the candidates' Ph.D. transcript
- A list of publications
- A summary of previous and current research (three-page limit)
- Supervisor form (stating willingness of the supervisor and the research workplace to accommodate the researchers)

Applications received by email or fax will not be considered.

Evaluation and Selection

Applications will be evaluated by Mahidol University Steering Committee on the Allocation of the Postdoctoral Fellowship and then submitted for the approval of the President of Mahidol University. The result of the selections will be announced within approximately 4-6 weeks.
